Memorandum To: Employment Ontario Network

From: Ministry of Labour, Training and Skills Development

Date: December 11, 2019

Subject: Employment Ontario Data for release to the Local Boards, Local Employment Planning Councils and Literacy and Basic Skills Regional Networks

The Ministry of Labour, Training and Skills Development is providing the Local Boards, Local Employment Planning Councils, and Literacy and Basic Skills Regional Networks with aggregate Employment Ontario data for the 2018-19 fiscal year. The aggregate reports include activity data for the following programs:

- Apprenticeship (APPR)
- Canada Ontario Job Grant (COJG) - Employer
- Canada Ontario Job Grant (COJG) - Participant
- Employment Services (ES)
- Literacy and Basic Skills (LBS)
- Ontario Employment Assistance Services (OEAS)
- Second Career (SC)
- Youth Job Connection (YJC)

The data is shared in three sets (as per below); and may help Local Boards, Local Employment Planning Councils, and Regional Networks to identify potential gaps or duplications in service within their catchment areas and provide insight into better engaging underrepresented groups. It is not intended to assess the performance of the Employment Ontario network:

1. Local Boards and Local Employment Planning Councils (26)
2. CMSM - Consolidated Municipal Service Managers (47)
3. Census Divisions (56)

The Local Boards and Local Employment Planning Councils will use these data reports to validate local workforce characteristics and client outcomes in the local area. Local Boards are expected to discuss this data with service providers for local planning purposes and

collaborate on joint actions to address identified issues in the local area. The results of the Employment Ontario data analysis and consultations will be captured in the the Local Boards' Local Labour Market Planning (LLMP) Report.

If you have additional questions please contact your local Ministry office.
