

Occupational Health and Safety Training Initiative

Recommended Courses by Sector

Please see below a list of the ten (10) training courses, available through the Occupational Health and Safety Training Initiative (OHSTI), that are recommended by sector. This list can support Employment Ontario clients in choosing the most suitable training courses relevant to their goals.

While all courses are applicable to each sector, some training courses may be viewed by hiring employers as more relevant when looking to consider the skills and training of jobseekers during the hiring process.

Below is a list of relevant training courses by sector.

Sector	Training Courses
Agriculture, forestry, fishing and hunting	<ul style="list-style-type: none">• Slips, Trips and Falls• Ladder Safety• Manual Material Handling (MMH)• Accessibility for Ontarians with Disabilities Act (AODA)• Health and Safety Representative
