ES Financial Allocations & Expenditure Dataset

- The Open Data Team has been preparing the Employment Service Financial Allocations and Expenditure Dataset
- This dataset covers the 2015/16 fiscal year and provides financial data for every ES service provider. The specific data included are:
 - Target Number of A/S Clients (from contracts and amendments)
 - Original Allocations (from contracts)
 - Revised Allocations (from SRER)
 - Total Funding Received from MAESD (from SRER)
 - Total Expenditure as Reported by the SP (from SRER)
 - Total Expenditure Approved by MAESD (from SRER)
- For the two Allocations and Expenditures categories above, the values are shown for Operating Funds, Employer Incentives, Client Supports, and Field Supports.
- A detailed explanation of the ES Funding Model is also provided.

This dataset will be posted on the SP Portal in the coming weeks for review and feedback – watch EOPG for details.
