

Open Data Update and Visualizations

December 2016

Finance, Analysis and System Support Branch

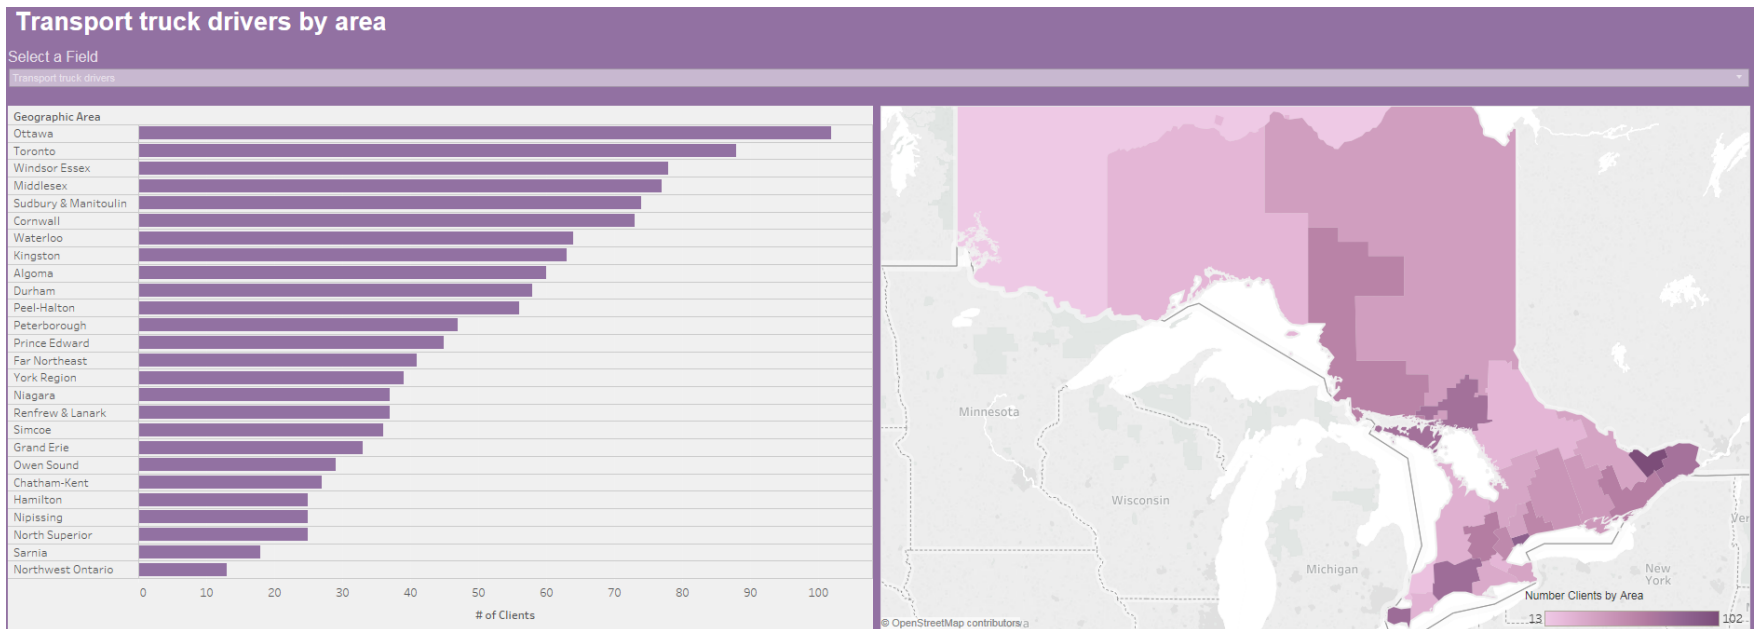

Employment and Training Division
Ministry of Advanced Education and Skills Development

Open Data Update

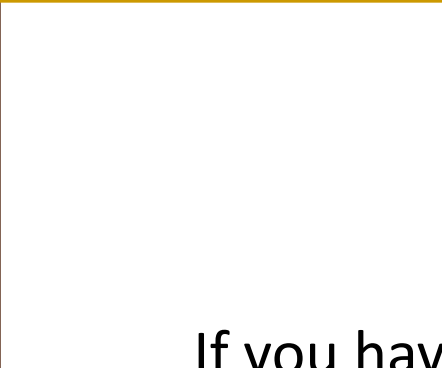

- MAESD's inventory of data assets was published on the [Data Catalogue](#) on November 17th.
- ETD and the Open Data team continues to prepare datasets for release.
- The first four datasets to be published will be based on the EO Annual Datasets sent to Local Boards/LEPCs in June 2016:
 - Provides demographic and outcomes data on Employment Service, Apprenticeship, Literacy and Basic Skills, and Second Career clients.
 - Data is provided for each of the 26 Local Board/LEPC areas
 - Data covers the 2015/16 fiscal year.

Data Visualizations

- ETD Datasets will be accompanied by visualizations to make the data easily accessible to a broader audience.
 - A demonstration of the visualizations will be given to SDAG.

- Datasets and visualizations will be made available on an Employment Ontario Open Data portal currently in development.

If you have any questions about the datasets being prepared for publication, the development of the release schedule, and/or the work of the Open Data Team in general, please contact:
