## NOTICE OF CONTRAVENTION

This letter is to inform you Christian Sorensen as the Director of the C & C Professional Truck Training of Canada Ltd. (C & C) that on June 29, 2010, it was determined that C & C contravened the following section of the *Private Career Colleges Act, 2005* and/or regulations made under the Act:

- Act, s. 11 — Restrictions on advertising and soliciting (\$1,000)

For a Summary of each contravention see attached Schedule A.

As per section 51 of *Ontario Regulation 415/06* made under the *Private Career Colleges Act, 2005*, C & C is subject to a penalty in the total amount of \$1,000 per day. It is important to note that the penalty is levied daily. The total penalty amount is calculated by multiplying the penalty amount indicated above by the number of successive days that the contravention continues.

*For example: following 5 successive days that the contravention continues the penalty amount due will be \$5,000.*

*following 15 successive days that the contravention continues the penalty amount due will be \$15,000.*

At this time you are required to provide the ministry with written confirmation of compliance with the *Private Career Colleges Act, 2005* and its regulations. Specifically, written confirmation that C & C:

- Has stopped advertising unapproved vocational programs that require approval, including the removal of all references to the DZ Straight Truck Program on the website <http://protrucktraining.com/>.

Once you have confirmed compliance with the Act, the penalties will cease to accumulate and you will receive an invoice that sets out the total penalty outstanding. Payment of the full amount is due within **30 days** of the date of your notification.

If payment is not received within **30 days** after the date the notice of contravention was received, the amount will be subject to interest at the current postjudgment interest rate beginning on the 31<sup>st</sup> day following the date of notice. The current rate can be found at the following address:

[www.attorneygeneral.jus.gov.on.ca/english/courts/interestrates.asp](http://www.attorneygeneral.jus.gov.on.ca/english/courts/interestrates.asp).

## **Review**

If you believe that the decision made above is inaccurate you may request a review of this decision by submitting a Request for a Review of a Notice of Contravention form to the Minister of Training, Colleges and Universities within **15 days** of receipt of the Notice of Contravention.

Superintendent of Private Career Colleges

## Schedule A

### Contravention of Subsection 11 (2) of the PCCA, 2005 – Advertising Unapproved Programs

On June 29, 2010 Ministry staff reviewed the website <http://protrucktraining.com/> which is the website for C & C Professional Trucking (C & C), a registered Private Career College. The website states that:

*“C&C Professional Truck Training of Canada LTD. has come up with a course program for the majority of students who are entering into the trucking industry with very little or no experience. Our long DZ course is a 2.5 week course - 1 week in classroom (40 hours) and 35 hours of hands on in-truck training.”*

A screen shot of the website content is included here:

A designate of the Superintendent made an inquiry by phone to the school by on June 29, 2010 at 10:47 am. The designate spoke to Lynda Embling who is listed on the website as the office Manager for C & C. Lynda Embling revealed the following information:

- C & C has changed the DZ program from the listed duration of 40 hours classroom and 35 hours (75 total hours) in truck as listed on their website to 40 hours classroom and 22 hours in truck (62 hours total).
- C & C previously charged \$3,200 for the 75 hour DZ program but that cost has been reduced to \$1,750 for the 63 hour DZ program

DZ training corresponds to National Occupational Classification (NOC) code 7411 – Other Truck Drivers. Based on the evidence gathered the DZ program at C & C at a cost of \$1,750 and a duration of 62 hours fits the definition of a vocational program requiring the approval of the Superintendent according to the PCCA, 2005. Since this program is not approved, advertising of same is prohibited in accordance with Section 11 (2) of the PCCA, 2005.
