Reasons for Decision

The Superintendent proposed to revoke the registration of Canada New-Times Education Group Inc. (the "School") for the following reasons:

- He was no longer satisfied that the School would operate the PCC in accordance with the Act and regulations (s. 18(2)(a) read with s. 14(1)(b));
- He was no longer satisfied that having regard to the School's financial position, it could be expected to be financially responsible in the operation of the PCC (s. 18(2)(a) read with s. 14(1)(d));
- He was no longer satisfied that the past conduct of the School's officers and directors provided grounds for the belief that the PCC would be operated in accordance with the law and with integrity and honesty (s. 18(2)(a) read with s. 14(1)(e));
- He was no longer satisfied that the School was not carrying on activities that were in contravention of the Act or regulations (s. 18(2)(a) read with s. 14(1)(f));

- The School had breached a condition of its registration (s. 18(2)(b)) by offering and enrolling students in unapproved vocational programs contrary to section 23(1) of the Act; and
- The School had failed to comply with the Act and regulations (s. 18(2)(c)).

Evidence in support of the proposal showed that:

- The School was not able to meet financial obligations as they came due; and
- The School was advertising, offering, delivering, and enrolling students in unapproved programs.
