

Particulars of Notice of Contravention and Review Decision
S. 49(1) *Private Career Colleges Act, 2005*

March 5, 2010

These particulars are posted following the issuance of an administrative penalty for which a review was requested. Penalties may be reviewed upon request within 15 days of receipt of a Notice of Contravention. The review decision is made considering not only the information originally available at the time the Notice of Contravention was issued, but also any new information not previously available that may have been supplied in support of the request for a review. On review, an administrative penalty may be upheld, rescinded or reduced. A review decision is final.

<p>Act, s. 11— Restrictions on advertising and soliciting</p> <p>WinNet Systems Inc. was advised by written response by the Ministry on May 26, 2008, that the institution was required to seek approval for its Diploma in Information System and Technology Program. WinNet Systems Inc. had not fully submitted its registration application.</p> <p>An internet search of this institution’s website (http://www.winnet.ca/) conducted on January 14, 2010 identified the following unapproved vocational programs being advertised:</p> <ol style="list-style-type: none"> 1) CCNA (Cisco Certified Network Associate) 2) CCNP (Cisco Certified Network Professional) 3) CCDA (Cisco Certified Design Associate) 4) MCSE (Microsoft Certified System Engineer) 5) MCSA (Microsoft Certified System Associate) <p>WinNet Systems Inc. is also advertising a</p>	<p>\$1,000 per day</p>	<p>Penalty of \$1,000 per day is reduced to \$250 per day. The penalty accumulated from January 15th to January 27th, 2010 (inclusive).</p> <p>The balance of evidence available indicates WinNet Systems Inc. was advertising unapproved vocational programs. WinNet Systems Inc. has come into compliance as its website no longer advertises the programs at issue in the Notice of Contravention.</p>

<p>number of additional CISCO training and other training courses which may be regarded as vocational. A determination could only be made once the institution pre-screens these programs.</p> <p>On January 15, 2010, Ministry staff telephoned WinNet Systems Inc. at the telephone number listed on the website (416) 447-TEST(8378) and spoke to Madu, who identified herself as an administrator of the institution.</p> <p>Madu advised Ministry staff that CCNA is comprised of 1 module at a cost of \$599.00. Classes begin on January 16, 2010 at 8:30 a.m. for this program. Madu also advised that CCNP consisted of 4 modules at a cost of \$799.00 per module. Madu specified to Ministry staff that MCSE consisted of 7 modules costing either \$399.00, \$599.00 or \$699.00 per module. She stated that it takes 1 month to complete each module of this program and that students attend classes once a week on Saturdays for 5 to 6 Saturdays per module. Madu also stated that MCSA consists of 4 of the same modules included in the MCSE program and that the next session for MCSA program starts in February 2010.</p> <p>WinNet Systems Inc. has a full course schedule on its website for its North York Campus, which specifies that some courses start as early as January 2010 with days and times of the week listed for each course. Fees for each individual course are listed on the course schedule.</p>
